Financial Resources and Access

Patient Support Services

Our Patient Assistance Now Oncology (PANO) program was created to assist you with accessing your Novartis medicine(s)—from insurance verification to financial assistance—all through a knowledgeable and supportive call center.

The Novartis Patient Navigator Program

The Novartis Patient Navigator Program consists of a team of specialists who are available to support you during your treatment journey. Once enrolled in the program, you will receive a series of phone calls from a specially trained navigator who will help you get started on your Novartis medicine.

Some of the services provided by the Novartis Patient Navigator Program include:

- ▶ Information about financial assistance
- ▶ An explanation of the results of your benefits investigation and out-of-pocket financial responsibilities
- ▶ Help understanding different financial assistance options, such as co-pay assistance
- ▶ Help understanding the proper dosage and administration of your Novartis medicine

To learn more about the Patient Navigator Program, contact Patient Assistance Now Oncology (PANO) at **1-800-282-7630**.
